

# BWT FACE SHIELD

A high quality CE Certified face shield providing protection from liquid splashes or spray

#### ACCREDITED AS9100 REV D UK MANUFACTURER

A Senior plc group business with parts manufactured at our UK facility near Manchester

#### CE MARK

CE marked and conforms to EU2016/425 PPE Class 1 (Tested to EN166:2001 COVID-19 Standards)

#### ULTRA LIGHTWEIGHT AND COMFORTABLE DESIGN

High quality product which can be used over long periods. Easy to use with no foam band which can cause sweating

#### FULL FACE PROTECTION

The face shield provides protection from liquid splashes and droplets and should be worn in conjunction with other mandatory PPE

#### ANTI - FOG DESIGN

Face shield remains optically clear with space for glasses and masks, if required

#### HEALTHCARE

The BWT face shield is designed to be worn by HealthCare Professionals to protect the face from liquid splashes and bodily fluids when treating infectious patients. It is not designed to be used as a respiratory device or to prevent any airborne infectious materials entering the nose or mouth

#### MULTI - USE

Suitable for frontline and essential workers including other close contact occupations

#### VOLUME PRODUCTION

Competitively priced product in support of protecting our country and people with mass volume production capability
